## Experience

**2025 — *now*** — **Freelance**
Web Design and Development

**2025 — *now*** — **Cooperativa de Comunicação e Cultura**
Communication Designer and Cultural Producer

Produced cultural events in articulation with artists, creating opportunities for audiences to connect with their work. Also managed the institution's digital communications, including the design, maintenance, and development of its digital platforms.

**2024 — 2025** — **Liga Portugal**
Graphic Designer Trainee → Junior Graphic Designer

As part of the design team, I contributed to the creation of a wide range of communication materials for campaigns, events, and institutional initiatives. Through 3D modelling, product design, and graphic design, I helped maintain a consistent visual identity across both print and digital platforms.

## Education

**2022 — 2023** — **EDIT. - Disruptive Digital Education**
Full Stack Web Development Course

**2019 — 2022** — **Faculty of Fine Arts of the University of Lisbon**
Bachelor Degree in Communication Design

## Volunteering

**2022 — 2024** — **Impac'tu — non-profit association**
Member of the marketing department

Development of the communications strategy and maintenance of the website for an association made up of students from Porto and Lisbon that supports and assists families in vulnerable situations.

**2022 — 2023** — **World Youth Day Lisbon 2023**
Graphic Design Volunteer

Working in a multicultural team of volunteers to help developing the visual communication of a global scale event.
